

American Lincoln Parts

American Lincoln Parts - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the industry they are known within the business as providing durable and strong machinery that satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company who is presently also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could supply components, warranty service and equipment for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where efficiency and results count. Recently, this particular floor scrubber model has been utilized by the architects in new construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
