

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to providing top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like offering products that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills together with their understanding of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines ready and running daily is top priority. The company's top of the line technology delivers reliable equipment which eventually reduces your cleaning expense. The price, the service and the product all work together to make them an industry leader.
